Re: Freedom of Information Act Request of November 04, 2019 for Winning Bid Information from WC October 2019 Tax Auction including: Property address, Winning bidder, Winning bid amount, Names of other bidders and the amounts they bid ¹

Dear Ms. Alapati:

Wayne County Treasurer's FOIA Division received the following Request on November 04, 2019 by mail:

1. Winning Bid Information from WC October 2019 Tax Auction including:
 - (A) Property address
 - (B) Winning bidder
 - (C) Winning bid amount
 - (D) Names of other bidders and the amounts they bid

Your Request #s 1, 1(A), 1(B) and 1(C) are granted at no charge. This list is located on the Wayne County Treasurer's website: <https://www.waynecounty.com/elected/treasurer/auction.aspx>. If you choose for us to provide these records there will be an additional charge of \$4.64.

Your Request # 1(D) is denied. After a diligent search for the Requested records, we have determined and certify we do not have the records. The Wayne County Treasurer's Office is not required to create new records when responding to a FOIA Request MCL 15.233(4), (5). If you can provide more specific information, your Request will be reviewed to determine whether the desired records exist.

You have the right to do either of the following with regard to the denial of your Request:

- (1) Submit a written appeal to the County Executive, which specifically states the word "appeal" and states the reason or reasons the denial should be reversed.

OR

- (2) Commence an action in the circuit court to compel disclosure. Should you prevail, you will be entitled to have reasonable attorneys' fees, costs and disbursements assessed against the County by the court. If you or the County prevails in part, the court may, in its discretion, award you all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. If the court determines that the County has been arbitrary and capricious in its denial, you will also be entitled to punitive damages in the amount of \$1,000.00.

Sincerely,

This is a(n): ☐ Estimate of costs ☒ Bill showing amount due

Requester Name/Request No.: Katlyn Alapati/2019-3393

1. IF ALL OR A PORTION OF THE REQUESTED INFORMATION IS AVAILABLE ON THE COUNTY'S WEBSITE, the County is required to tell you it is available on the website and, where practicable, include a specific webpage address where the information is available. In this case,

- ☐ None
☐ Some
☒ All

of the requested material can be found at the following webpage(s):
<https://www.waynecounty.com/elected/treasurer/auction.aspx>

Information on the County website is available to you at no charge. If you would prefer to pay the County to retrieve these materials for you, we will charge the hourly rate provided in Item #2 below and will add a 100% fringe benefit rate to the hourly rate.

(FOIA Officer – if item #1 applies, please go on and complete item #2 as well)

1. No charge

2. LABOR COST FOR COPYING OR DUPLICATING RECORDS THAT ARE AVAILABLE TO YOU AT NO CHARGE ON THE COUNTY'S WEBSITE. This is the cost of labor directly associated with duplication of material located on the County's public web site. This rate is to be charged for the cost of making paper copies, digital copies, transferring materials onto non-paper physical media, or transferring materials through the Internet or other electronic means as you request, provided the County has the capability to do so. This rate shall not be more than the hourly wage of the County's lowest-paid employee capable of necessary retrieval and duplication in this particular instance, whether or not that person is available or who actually performs the labor. A full (100%) fringe benefit rate will be applied to the hourly rate. These costs will be estimated and/or charged in one minute time increments, and all partial time increments will be rounded down. If the task takes less than one minute to perform, there will be no charge.

Base Hourly Wage Charged: \$ 11.47

Charge per minute: \$ 0.29

(Hourly wage with full fringe benefit cost divided by 60)

Hourly Wage with Full Fringe Benefit Cost: \$ 17.20 Number of whole minutes = 16

(FOIA Officer – please contact Payroll for this rate)

☐ Overtime rate charged if authorized by you (overtime is not used to calculate the fringe benefit cost)

2. Total labor cost if the County retrieves materials for you that you could obtain at no charge from the County's website
\$ 4.64

(Charge per minute X number of whole minutes)

3. LABOR COST TO LOCATE RECORDS THAT ARE NOT AVAILABLE ON THE COUNTY'S WEBSITE. This is the cost of labor directly associated with the necessary searching for, locating, and examining public records in connection with receiving and fulfilling a granted written request. This fee is being charged because failure to do so will result in unreasonably high costs to the County due to the nature of the request in this particular instance, specifically:

(check all that apply):

- ☐ The request does not seek an easily identifiable document consisting of a few standard size pages with minimal redactions
- ☐ The request will require more than 15 minutes of labor to search for, locate, and examine the records
- ☐ The request seeks "any and all" documents on a particular subject
- ☐ The request requires that many boxes of documents be searched
- ☐ The request requires numerous hours of examination
- ☐ The request seeks a large volume of records
- ☐ The request seeks records from more than one County department
- ☐ The request incurs costs greater than incurred from the typical or usual FOIA request received by Wayne County for searching, locating, and examining public records
- ☐ Other reason: __

The County will not charge more than the hourly wage of its lowest-paid employee capable of searching for, locating, and examining the public records in this particular instance, whether or not that person is available or actually performs the work. These costs will be estimated and charged in 15 minute time increments with all partial time increments rounded down. If the total number of minutes is less than 15, there will be no charge for searching for, locating, and examining the requested records.

Base Hourly Wage Charged: \$ __

Charge per ¼ hour: \$ __

(Hourly wage with fringe benefit costs divided by 4)

Hourly Wage with Fringe Benefit Cost: \$ __
Multiply the hourly wage by 1.5 (50% fringe rate) for the total hourly rate

Number of increments = __

(Divide the number of minutes by 15 and round down)

☐ Overtime rate charged if authorized by you (overtime is not used to calculate the fringe benefit cost)

3. Total labor cost for locating records

\$ __
(Charge per ¼ hour X number of increments)

4. LABOR COST TO SEPARATE (REDACT) EXEMPT FROM NONEXEMPT MATERIAL THAT IS NOT LOCATED ON THE COUNTY'S WEBSITE. The County will not charge you to redact information if we know or have reason to know that the materials have already been redacted and the redacted version is still in the County's possession. This fee is being charged because failure to do so will result in unreasonably high costs to the County due to the nature of the request in this particular instance, specifically:

(check all that apply):

- ☐ The request does not seek an easily identifiable document consisting of a few standard size pages with minimal redactions
- ☐ The request will require more than 15 minutes of labor to separate exempt from nonexempt material
- ☐ The request requires that many boxes of documents be reviewed to separate exempt from nonexempt material
- ☐ The request requires numerous hours to separate exempt from nonexempt material
- ☐ The request incurs costs greater than incurred from the typical or usual FOIA request received by Wayne County for separating exempt from nonexempt material
- ☐ Other reason:

The County will not charge more than the hourly wage of its lowest-paid employee capable of separating the exempt from the non-exempt material contained with the public records in this particular instance, whether or not that person is available or actually performs the work, unless the County does not employ a person capable of separating and deleting the exempt from non-exempt information in which case a contractor may be used. These costs will be estimated and charged in 15 minute time increments with all partial time increments rounded down. If the total number of minutes is less than 15, there is no charge for searching for, locating, and examining the requested records.

Charges for County employee labor to separate exempt from non-exempt materials:

Base Hourly Wage Charged: \$

Charge per ¼ hour: \$

(Hourly wage with fringe benefit costs divided by 4)

Hourly Wage with Fringe Benefit Cost: \$

Number of increments =

Multiply the hourly wage by 1.5 (50% fringe rate) for the total hourly rate

(Divide the number of minutes by 15 and round down)

☐ Overtime rate charged if authorized by you (overtime is not used to calculate the fringe benefit cost)

Charges for contract (non-County) labor to separate exempt from non-exempt materials:

Base Hourly Wage Charged: \$

Charge per ¼ hour: \$

(Hourly wage divided by 4)

Name of contracted individual or firm:

Number of increments =

(Divide the number of minutes by 15 and round down)

The County will not use contract labor to separate exempt from non-exempt materials unless there is no County employee capable of performing the work; the use of contract labor is approved by the FOIA Coordinator on a case-by-case basis; and the labor costs do not exceed six times the state minimum hourly wage (MCL 408.411 et seq.)

4. Total labor cost for separating exempt from non-exempt material

\$ 0

(Charge per ¼ hour X number of increments)

5. LABOR COST TO COPY OR DUPLICATE RECORDS THAT ARE NOT LOCATED ON THE COUNTY'S WEBSITE.

This is the cost of labor directly associated with duplication of publications, including making paper copies, making digital copies, or transferring digital public records to be given to you on non-paper physical media or through the Internet or other electronic means as you request, provided the County has the capability to do so. This rate shall not be more than the hourly wage of the County's lowest-paid employee capable of necessary retrieval and duplication in this particular instance, whether or not that person is available or actually performs the work. These costs will be estimated and/or charged in one minute time increments, and all partial time increments will be rounded down. If the task takes less than one minute to perform, there will be no charge.

Charge per minute: \$ ____

(Hourly wage with fringe benefit costs divided by 60)

Hourly Wage with Fringe Benefit Cost: \$ ____

5. Total labor cost copy or duplicate records that are not located on the County's website

\$ 0

(Charge per minute X number of whole minutes)

6. COST OF COPIES (EXCLUDING LABOR). Copying costs may be charged if a copy of a public record is requested, or for the necessary copying of a record for inspection (for example, to allow for blacking out exempt information, to protect old or delicate original records, or because the original record is a digital file or database not available for public inspection).
